

A Bible Study On The Gift of Joy

Introduction

Charlie Brown in his cartoon strip says, "Happiness is what you have after your hiccups are gone away." One might hear this comment by older adults: "Getting older is no fun. I wish I didn't have to get old." So the question is: how do we continue to experience happiness and joy in the aging process? Let's take a look at Scripture for some help.

The source of joy and happiness comes from the Triune God.
