

11:09:21 From Mark Schoepp : Debbie Streicher is Co-Director at Milestones Ministry and has helped congregations across the country develop faith formation programs for all ages in the congregational setting for almost 30 years. Her background is in teaching language. Coupled with her passion for family ministry, she uses her knowledge and experience learned from teaching foreign languages to help parents, grandparents, and other adults understand the importance of daily immersion in the language of faith. Her vision is to involve all ages in faith formation, strengthen family relationships through Spiritual growth, and empower God given gifts to do ministry.
