**June Happenings!!**

June is a H-U-G-E events month. First of all, school's out! Then, there's weddings. Therefore, there's a fair share of anniversaries...we hope. There is no shortage of graduations, from Kindergarten to High School. And, after the graduations, there's the parties. By the time we get through the parties and graduations of June, the big party called summer will be in full swing.

[Father's Day](#) is one of the many highlights of June. Make sure to check out our many [Dad-ism's](#). Dad never lacked for something "momentous" to say. We have captured some of the best of them.
